SUMMARY OF QUALIFICATIONS

- Course Design
- Curriculum Development
- Training of Trainers
- Program Management
- Grant Management
- L2 Assessment Design
- AI in Language Education
- Academic Program Development

EDUCATION

Ph.D. Education (Doctoral Candidate), Pädagogische Hochschule Heidelberg, Germany Present
M.A. Second Language Studies, Indiana University, Bloomington, IN May 2011
M.Ed. Teaching English as a Second Language, University of Georgia, Athens, GA May 2006
B.A. Sociology/Anthropology, Earlham College, Richmond, IN June 2000

TEACHING EXPERIENCE

Sept. 2022-Present
Aug. 2019-Aug. 2022

Senior Lecturer, English for Academic Purposes

Lecturer, English for Academic Purposes

New York University Shanghai

Shanghai, China

Affiliated Faculty, Data Science Center

- Design and deliver content-based courses to improve Academic English language skills at the university level
- Design formative and summative assessments aligning with department and university curricula
- Responsible for the development of online, mixed-mode, and hybrid courses to meet student learning outcomes
- Work collaboratively on institutional committees for hiring, curriculum, Candidate Weekend (conducting interviews), and diversity/inclusion
- Coordinate experiential learning opportunities with local partners
- Collaborate across academic departments to enhance student experience

Sept. 2016-June 2019

Lecturer, Department of English

Jinan University

Guangzhou, China

- Designed and delivered intercultural communication and English writing courses to post-graduate, non-English majors
- Worked collaboratively with local faculty to deliver quality instruction
- Designed formative and summative assessments aligning with department and university curricula
- Supervised Teaching Assistants

- Aug. 2013–Aug. 2016 **Instructor**, Virginia Commonwealth University
English Language Program
Richmond, VA
- Instructor for all levels of proficiency across all skill areas
 - Designed and delivered formative and summative assessments aligning with department and university curricula
 - Collaborated with other academic departments to build partnerships for language exchange and student programming
 - Worked on teams to develop curricula for skills-based courses
 - Assisted with new student orientations (rater for oral and written assessments, other tasks as assigned)
 - Worked on teams to analyze program for successful Commission on English Language (CEA) accreditation
- May 2013–Aug. 2013 **Instructor**, Go Teacher Program
Kansas State University (contractor)
University of Kentucky, Lexington
- Taught an SLA/Applied Linguistics TEFL training course (12 contact hours/week) for an academic exchange program for 40 teachers from Ecuador
 - Consulted with Kansas State University to modify program to fit student needs
 - Provided instruction in test-taking strategies for TOEFL exam required for graduation
 - Coordinated with co-instructors to plan program-related activities
 - Submitted reports to Go Teacher Program, analyzing program impact
 - Organized cultural events and community-building activities
- Aug. 2012–Aug. 2013 **Lecturer**, Center for English as a Second Language
University of Kentucky, Lexington
- Instructor for all levels of proficiency across all skill areas
 - Worked on teams to develop curricula for skills-based courses
 - Collaborated across academic departments to build partnerships for language exchange
 - Worked on teams to analyze program for successful Commission on English Language (CEA) accreditation
 - Collaborated with the William Young Library to create and maintain the ESL Core Collection of graded readers
 - Assisted with new student orientations (rater for oral and written assessments, other tasks as assigned)
- June 2009–Aug. 2012 **Adjunct Instructor**, Intensive English Program
Indiana University, Bloomington, IN
- Instructor for all levels of proficiency across all skill areas
 - Designed and delivered formative and summative assessments aligning with department and university curricula
 - Created and delivered content-based courses

- Provided training to new English language instructors
- Worked on teams to analyze program for successful CEA accreditation
- Organized social activities for students aimed at facilitating involvement in the Bloomington community
- Assisted program in successful accreditation process for the Commission on English Language (CEA)
- Assisted with new student orientations (rater for oral and written assessments, other tasks as assigned)

LEADERSHIP EXPERIENCE & FACULTY DEVELOPMENT

Aug. 2021-May 2025

Faculty Chair, NYU Shanghai Reads Program
New York University Shanghai
Shanghai, China

- Co-led a team responsible for selection of a Common Reads book and implementation of community-wide programming
- Performed short-term budget management tasks such as monitoring the use of funds and justifying spending requests (\$6000/year)
- Oversaw marketing and media strategies
- Planned and supervised events (in person, online, and mixed-mode)
- Compiled data-driven narratives for strategic planning
- Organized and implemented systems, such as planning templates, to build institutional knowledge and eliminate waste
- Provided training to faculty on aligning the book with curricula
- Directly supervised administrative team

Sept. 2019-Present

English Language Specialist, English Language Specialists Program
A Program of the U.S. Department of State

- Design and lead intensive English language projects sponsored by Public Affairs Sections of U.S. Embassies around the world to respond to local needs
- Exchange knowledge, build capacity, and establish partnerships benefiting participants, institutions, and communities in the US and overseas
- Work with universities, teacher-training institutions, ministries of education, bi-national centers, and other English language education institutions

Aug. 2018–June 2019

English Language Fellow Coordinator, English Language Programs
A Program of the U.S. Department of State
Guangzhou, Guangdong, China

- Provided ongoing technical training to 20 English Language (EL) Fellows in China and Mongolia
- Facilitated outreach and project opportunities with language programs and educational ministries in China
- Helped plan and facilitate pre-departure and post-arrival orientation

- Worked closely with the Regional English Language Office Beijing to continually develop and improve the EL Fellows Program in China and Mongolia
- Sept. 2016–June 2019 **English Language Fellow**, English Language Programs
A Program of the U.S. Department of State
Guangzhou, Guangdong, China
- Coordinated with the Regional English Language Office Beijing and the Public Affairs Section, Guangzhou to conduct program-related activities
 - Managed the implementation of a professional activity budget (\$5000/year)
 - Collaborated with local TEFL teachers in the consular region to meet training needs
 - Provided teacher training to 2597 TEFL professionals in the East Asia Pacific Region
 - Regularly participated in report-writing to evaluate program impact
- Oct. 2015-June 2016 **Program Developer**, Office of Special Programs
Virginia Commonwealth University
Richmond, VA
- Coordinated with Office of Special Programs developing programming for academic exchanges
 - Conducted needs analyses, designed courses, and selected materials for cohorts from China, Mexico, and Japan
 - Designed experiential trips in the Richmond and Washington D.C. area
 - Provided guidance and training for implementation of academic exchange curricula
 - Regularly participated in report-writing to evaluate program impact
- May 2015-June 2016 **Head of Educational Technology Team**, English Language Program
Virginia Commonwealth University
Richmond, VA
- Trained teachers on using the LMS to provide instruction
 - Provided ongoing LMS support for faculty
 - Designed LMS shells, and provided training to instructors, as part of curriculum review
 - Oversaw development of web-based community of practice for language program
- May 2015-May 2016 **New Teacher Mentor/Lead Teacher**, English Language Program
Virginia Commonwealth University
Richmond, VA
- Developed and delivered orientation and ongoing training to Adjunct Instructors
 - Supervised summer teaching staff
 - Supervised all incoming New Teachers, overseeing instructional consistency to align with program-wide curricular goals

- Implemented a comprehensive plan for observing and providing feedback to novice teachers
- Resolved student complaints

Aug. 2012–Aug. 2013

Chair, CESL Professional Development Committee
Center for English as a Second Language, University of Kentucky
Lexington, KY

- Organized and moderated monthly brown bag sessions to share teaching tips
- Organized and moderated a discussion group about current research trends in the field of SLA and language teaching

GRANTS AND PROJECT MANAGEMENT

Sept. 2026-June 2027

Project Title: Teaching with Empathy: Evidence-Informed Pedagogy and AI Literacy Beyond the Classroom

Funding Agency: New York University, Center for Teaching & Learning

Funding Amount: 1000 USD

Description: Leading the design and implementation of a TAG-funded project developing AI literacy and empathy-based pedagogy for multilingual undergraduate students at NYU Shanghai. Supervising student research assistants in materials development and pilot data collection. Collaborating on dissemination of findings and reusable pedagogical resources across NYU programs.

Aug. 2026-Sept. 2027

Project Title: Assist with RELO Programming at the U.S. Embassy, Beijing

Funding Agency: United States Embassy, Beijing, China

Funding Amount: 5200 USD

Description: Awarded funding from the U.S. Embassy Beijing Regional English Language Office (RELO) to support domestic and regional English language teaching projects aligned with Embassy public diplomacy objectives, including teacher training and outreach initiatives in China during a transition year with reduced English Language Fellow programming.

April 2026-August 2027

Project Title: AI Use and Instructor Readiness in STEM EMI Contexts in South Korea

Funding Agency: 2026 KOTESOL Research Grant

Funding Amount: 500,000KRW

Description: Awarded funding from KOTESOL Research Committee to support a study on AI use and instructor readiness in STEM EMI contexts in South Korea, including travel for data collection and preparation of a manuscript for submission to the Korea TESOL Journal.

Oct. 2025-March 2025	Project Title: Humanizing Technology: Ethos of Science Communication in the Era of AI English Language Specialist Virtual Project – Russia Contracting Entity: English Fellows Program, funded by the U.S. DOS Bureau of Educational and Cultural Affairs Description: Delivered a virtual keynote and workshop to 50 university educators and writing professionals at the international conference Humanizing Technology: Ethos of Science Communication in the Era of AI. Presented humanistic approaches to AI in language teaching and facilitated a practical session on building corpus based chatbots using authentic U.S. student writing. Collaborated with the National Writing Centers Consortium and RELO staff to ensure the sessions aligned with conference goals and supported continued professional dialogue.
Sept. 2025-Dec. 2025	Project Title: Developing a Pilot Survey to Measure AI Readiness Among Faculty at Chinese Teaching Universities Funding Agency: The NYU Shanghai Center for Data Science Funding Amount: 1543 USD Description: Led the design and implementation of a pilot survey on AI readiness among Chinese university teachers. Supervised and mentoring five data science student researchers in survey design, data analysis, and research dissemination. Collaborating with East China Normal University on publication and dissemination of findings.
Sept. 2025-Aug. 2026	Project Title: Interdisciplinary XR Pedagogies: A Faculty Learning Community Funding Agency: How We Teach Grant, Center for Teaching and Learning, New York University Funding Amount: 500 USD Description: Currently leading a year-long interdisciplinary faculty learning community at NYU Shanghai focused on integrating extended reality (XR) technologies into teaching and curriculum design. Managing the project budget and coordinating collaboration among faculty and RITS Emerging Technologies staff to develop, implement, and share innovative, student-centered uses of immersive technologies across disciplines.
Aug. 2025-Aug. 2026	Project Title: Interdisciplinary Writing Futures: A Faculty Learning Community (FLC) for Critical AI Studies Funding Agency: Goddard Impact Grant, New York University Funding Amount: 1000 USD Description: Currently leading a year-long interdisciplinary faculty learning community at NYU Shanghai that engages colleagues across NYU's global sites to explore the integration of AI literacies into writing

instruction through collaborative dialogue, curriculum development, and pedagogical exchange, while managing the project's budget and activities.

May 2025-Sept. 2025

Project Title: Preparing English Teachers for Generative AI Integration
Funding Agency: Citizen Diplomacy Action Fund, Global Ties U.S., Bureau of Educational and Cultural Affairs, United States Department of State
Funding Amount: 9996 USD

Description: Designed and delivered a capacity-building initiative focused on integrating generative AI into English language teacher education in Mexico, supporting U.S. leadership in educational innovation. As one of two Team Leads, coordinated virtual training-of-trainers sessions followed by in-person workshops at three university sites: Chihuahua, Juarez, and La Paz. The project promoted American-developed AI tools, strengthened cross-border professional networks, and equipped over 200 educators with practical strategies for AI integration. Activities included keynote presentations, peer observations, and the launch of a Community of Practice to ensure sustainability and continued collaboration.

Nov. 21, 2024

Project Title: Braiding Sweetgrass: deepening our ecological understanding of embodied practices of exchange, reciprocity, and care
Funding Agency: NYU Office of Sustainability, New York
Funding Amount: 1119 USD

Description: Secured funding from NYU's Office of Sustainability to organize an NYU Shanghai Reads event in collaboration with Global China Studies and the Institute for Ecology Initiative. Designed the event to promote ecological awareness and model sustainable practices in academic event planning. Managed all aspects of planning and implementation in accordance with NYU's Green Events Standard Checklist.

Aug. 2024-Jan. 2025

Project Title: Building Bridges: A Series on Advancing Diversity, Equity, Inclusion, and Accessibility
Funding Agency: U.S. DOS Bureau of Educational and Cultural Affairs, Public Diplomacy Programs
Funding Amount: 7000 USD

Description: Designed and delivered a four-part workshop series at the Guangzhou American Center to promote awareness of diversity, equity, inclusion, and accessibility among professionals working in multinational and international contexts. Developed interactive content aimed at fostering intercultural understanding and inclusive communication practices. Strengthened professional networks and encouraged collaboration across industries and cultural backgrounds.

May 2024-May 2025	Project Title: Scalable Chatbot Development for English for Academic Purposes (EAP) Funding Entity: Shanghai Frontiers Science Center of Artificial Intelligence and Deep Learning (SFSC of AI and DL), Affiliated Faculty Funding amount: 2100 USD Description: Led the development of AI-driven chatbots designed to support academic English instruction through personalized, corpus-informed interactions. Supervised an undergraduate student responsible for coding and technical implementation. Oversaw all phases of the project, including design, integration into EAP courses, and iterative evaluation through user feedback and pilot testing.
Nov. 2023-March 2024	Project Title: Using AI Tools in ESL Classrooms English Language Specialist Virtual Project – Mexico Contracting Entity: English Fellows Program, funded by the U.S. DOS Bureau of Educational and Cultural Affairs Description: Delivered a series of four online training sessions to 86 university educators from teachers' colleges across Mexico, focusing on the practical integration of emerging AI tools in ESL classrooms. Managed all aspects of the course delivery, including the design and facilitation of a Demonstration Week to showcase how AI tools could be applied in instructional contexts. Established and supported an active Community of Practice to promote continued professional development and collaboration beyond the formal project period.
Oct. 2023-May 2024	Grant Title: Empowering Environmental Advocacy Through Report Writing Funding Agency: U.S. DOS Bureau of Educational and Cultural Affairs, Fulbright-Hays Funding Amount: 10,000 USD Description: Designed and delivered a professional development workshop series for 75 Chinese educators and researchers in the environmental sector to strengthen advocacy through advanced report writing techniques. Developed content focused on rhetorical strategy, audience awareness, and data-driven argumentation. Established a Community of Practice to support peer learning and long-term collaboration in environmental communication.
Aug. 2023-Dec. 2024	Grant Title: Federal Assistance Award Funding Agency: U.S. DOS Bureau of Educational and Cultural Affairs Funding Amount: 6000 USD Description: Delivered six teacher training programs to over 200 local English teachers in three cities across China within the performance

period to raise their awareness and understanding of American-style teaching which emphasizes student-centered learning, critical thinking, and experiential learning.

Aug. 2022

Grant Title: Federal Assistance Award

Funding Agency: U.S. DOS Bureau of Educational and Cultural Affairs, Smith-Mundt

Funding Amount: 150 USD

Description: Delivered six teacher training programs for over 200 local English teachers in three cities across China. Focused on introducing American-style teaching methodologies centered on critical thinking, student engagement, and experiential learning. Supported participant growth in pedagogical innovation aligned with U.S. public diplomacy goals.

Jan. 2021-Feb. 2021

Project Title: *From Low-Tech to High-Tech: Educational Technology in the English Language Classroom*

English Language Specialist Virtual Project – Brazil

Contracting Entity: English Fellows Program, funded by the U.S. DOS Bureau of Educational and Cultural Affairs

Description: Designed and facilitated an online training program for 46 Brazilian teachers to explore student-centered teaching methodologies and educational technologies across various instructional modes. Emphasized practical application of tools for both low-resource and high-tech environments. Supported the development of a Community of Practice to extend collaboration and peer learning beyond the project timeline.

ASSESSMENT EXPERIENCE

Aug. 2010–Aug. 2012

Interviewer, Test of English Proficiency for International Associate Instructor Candidates (TEPAIC)
Department of Second Language Studies
Indiana University, Bloomington, IN

- Conducted 15-minute interviews with international graduate students to assess their L2 language proficiency and their readiness to act as graduate teaching assistants in an English-language university
- Observed international graduate students engaging in mini-lessons and role plays during Appeals Exams
- Worked closely with test administrators and developers to ensure test validity and reliability
- Participated in bi-annual administrations

Aug. 2009–Aug. 2012

Interviewer/Essay Rater, Indiana English Proficiency Exam (IEPE)
Department of Second Language Studies

Indiana University, Bloomington, IN

- Conducted four-minute interviews with international graduate and undergraduate students to assess their L2 language proficiency and readiness for academic classes in an English-language university
- Rated placement essays
- Worked closely with test administrators and developers to ensure test validity and reliability
- Participated in bi-annual administrations

Nov. 2007–Aug. 2016

Online Rater, Test of English as a Foreign Language (TOEFL)
Educational Testing Service, Ewing, NJ

- Scored written independent and integrated responses using the ETS Online Scoring Network (OSN system)
- Responsible for passing calibration tests before each shift
- Worked closely with daily score leaders to provide feedback to ETS for test development

INVITED PRESENTATIONS AND TALKS

Warfield, S. (2026, June). *Building a Practical Toolkit for Evaluating AI-Generated Language Teaching Materials*. Workshop to be delivered at the International Summit on the Use of AI in Language Teaching and Learning, Hong Kong.

- Warfield, S. (2025, November). *Humanistic Approaches to AI in the Language Classroom*. Plenary Lecture (Online) at the international conference Humanizing Technology: Ethos of Science Communication in the Era of AI, National Writing Centers Consortium (Russia).
- Warfield, S. (2024, November). *AI and Language Teaching*. Plenary Lecture (Online) at the Annual English Language Teaching Academic Forum ELTAF 2024 Conference, University of Sonora, Mexico.
- Elard, I., Konior, B., Warfield, S. & Wen, S. (2024, September). *AI and the Future of Reading*, Panel Talk hosted by the NYU Shanghai Reads Program, NYU Shanghai, Shanghai, China.
- Martínez, M. L., Itiola, G., Laws-Gabrovec, I., Journeaux, C., & Warfield, S. (2024, May). *Media Literacies & the Ethics of Innovation: Academic Integrity, Generative Technologies, and the Fantasy of Rules*, Panel Talk given at Putting the I in AI, NYUAD Writing Symposium, NYU Abu Dhabi, Writing Center.
- Li, Y., Mukhurjee, E., & Warfield, S. (2023, October). *Empowering Environmental Advocacy Through Report Writing*, Panel Talk given at U.S. Consulate, Guangzhou, China.
- Elard, I., Warfield, S., & Zhang, M. (2021, December). *Engaging Classrooms*. Faculty panel at Celebrate Teaching, NYU Shanghai, Shanghai, China.
- Warfield, S. (2018, March). *Integrating Listening into the Reading Curriculum*. Invited guest lecture at the Conference on TESOL Theory and Practice: Exploring Beyond International Borders, Guangxi University of Nationalities, Nanning, China.
- Warfield, S. (2018, November). *Fluency Tasks for the EFL Writing Classroom*. Invited guest lecture at the Fifth International Conference on Foreign Language Teacher Education Innovation and Development, Central China Normal University, Wuhan, China.

PRESENTATIONS

- Warfield, S. (2026, June). *Evaluating AI-Generated Language Teaching Materials: A Practical Framework for Teachers*. Workshop delivered at the International Summit on the Use of AI in Language Teaching and Learning, Hong Kong.
- Warfield, S. (2026, June). *Task-Based Reflection on Transfer in EAP*. Paper presented at the 6th Task-Based Language Teaching in Asia Conference, Tokyo, Japan.
- Warfield, S. (2026, May). *Generative AI and Oral Assessment in EAP: Rethinking Feedback, Authenticity, and Responsibility*. Paper presented at the 2nd International Conference on Artificial Intelligence and Education, Taicang, Suzhou, China. [Winner, Best Oral Presentation, Special Session 7]
- Warfield, S. (2026, April). *Critical thinking and AI-integrated task based teaching*. Lightning Talk presented at the Scholarship of Teaching & Learning, NYU Center for Teaching & Learning (online).

- Warfield, S. (2026, April). *The fifth minister: An AI chatbot as interlocutor in project-based EFL learning*. Lightning talk presented at Approaches: Researching and Teaching with GenAI, NYU Shanghai, China.
- Warfield, S. (2026, April). *Output Validation Tasks: Teaching Critical Thinking with NotebookLM*. Workshop delivered at the Technology-enhanced Teaching Forum, Ningbo, China.
- Warfield, S. (2025, November). *Building chatbots for language learning: Critical and practical approaches*. Workshop delivered at Humanizing Technology: Ethos of Science Communication in the Era of AI, National Writing Centers Consortium, Russia (online).
- Warfield, S., Pérez-Carbajal, M., Róo, S., Olivera, N., Vera, L. (2025, August). *AI-Powered Teaching: Reflective Professional Development for GenAI Integration in Mexican EFL/ESL Contexts*. Paper presented at the International TESOL Union Conference, Hong Kong.
- Warfield, S. (2024, November). *Integrating AI in EAP: Enhancing Listening and Speaking Through AI Literacy*. Oral presentation presented at The Asian Conference on Education (ACE2024), Tokyo, Japan.
- Warfield, S. (2024, April). *Integrating Artificial Intelligence in EFL Classrooms: Navigating the Future of Language Learning*. Workshop conducted at KOTESOL, Seoul, South Korea.
- Warfield, S. (2024, March). *Chatbots in the Classroom: A New Era of AI-Integrated Language Learning*. Paper presented at The 25th International Conference and Workshop on TEFL & Applied Linguistics at Ming Chuan University, Taipei, Taiwan.
- Warfield, S. (2023, June). *Designing a Media and Information Literacy Course for English for Academic Purposes Students in a Sino-Western University*. Paper presented at Joint AELFE-LSPPC7 Conference, Zaragoza, Spain.
- Warfield, S. (2022, March). *Let's Synthesize! Best Practices for Paraphrasing*. Presentation and Q&A at TESOL 2022 Online Convention.
- Warfield, S. (2022, March). *Graphic Organizers for Academic Reading*. Video Recording at TESOL 2022 Online Convention.
- Warfield, S. (2021). *Perceptions of Critical Thinking: EFL classrooms in China*. Concurrent session at Global English Education China, Hangzhou, China.
- Warfield, S., & Journeaux, C. (2020). *Social Presence in Online Learning*. Session presented at the 4th CEGLOC Conference, Tskuba, Japan (Online).
- Warfield, S. (2020). *Speaking Tasks in the EFL Classroom*. Workshop presented at JALT 2020, Online.
- Chen, Z., & Warfield, S. (2018). *Critical thinking and beginners: Using Activate Games*. Practice-oriented session at the Asia TEFL Conference, Macau, Macau SAR.

- Li, Z.Y, Gallo, L., Warfield, S., & Xiang, Z.P. (2018). *Approaches to academic writing instruction in Mainland China: Current practices*. Colloquium at the 9th ELC International Conference, Shantou, China.
- Warfield, S. (2018). *Engaging L2 Learners: Communicative activities for the reading/writing Classroom*. Practice-oriented session at the Teachers of English to Speakers of Other Languages (TESOL) Convention, Chicago, IL.
- Warfield, S. (2018). *Let's chit chat: Small talk in academic communities*. Practice-oriented session at the Teachers of English to Speakers of Other Languages (TESOL) Convention, Chicago, IL.
- Warfield, S. (2018). *Integrating Extensive Reading into the EFL curriculum*. Poster session at Thailand TESOL (ThaiTESOL) Conference, Chaing Mai, Thailand.
- Chen, Z. & Warfield, S. (2018). *American English Online: Free resources for language teachers and students*. Workshop at Thailand TESOL (ThaiTESOL) Conference, Chaing Mai, Thailand.
- Warfield, S. (2017). *Formative assessment practices for large EFL classes*. Workshop at the Korea Teachers of English to Speakers of Other Languages (KoTESOL) Conference, Seoul, S. Korea.
- Warfield, S. (2017). *Reflecting on vocabulary instruction: Six questions EFL instructors should ask*. Practice-oriented session at the Cambodia Teachers of English to Speakers of Other Languages (CamTESOL) Conference, Phnom Penh, Cambodia.
- Warfield, S. (2016). *Social media and international student engagement*. Practice-oriented session at the Teachers of English to Speakers of Other Languages (TESOL) Convention, Baltimore, MD.
- Warfield, S. (2015). *The effect of extensive reading on L2 writing*. Paper presented at the Third World Congress on Extensive Reading, Dubai, UAE.
- Warfield, S. (2014). *Corpus-based methods for teaching grammar to beginners*. Practice-oriented session at the Teachers of English to Speakers of Other Languages (TESOL) Convention, Portland, OR.
- Warfield, S. (2013). *Digital literacy and beginner learners*. Concurrent session at the MIDTESOL Conference, Lawrence, KS.
- Warfield, S. (2013). *Small talk in the MICASE corpus: Fostering engaged listenership*. Practice-oriented session given at the Teachers of English to Speakers of Other Languages (TESOL) Convention, Dallas, TX.
- Warfield, S. (2013). *Using corpora to teach engaged listenership: An L2 classroom and the direct approach of corpus-based instruction*. Paper presented at The American Association for Corpus Linguistics, San Diego State University, San Diego, CA.
- Warfield, S. (2012). *In their own words: Learner corpora and language development*. Practice-oriented session at the Teachers of English to Speakers of Other Languages (TESOL) Convention, Philadelphia, PA.

Warfield, S. (2012). *L2 corpora and a genre-dependent pedagogy: Teaching summaries with the direct-method approach to corpus-based learning*. Presentation at the Symposium on Second Language Writing, Purdue University, West Lafayette, IN.

PROFESSIONAL SERVICE

Nov. 2021-April 2024 **Council Member**, TESOL Affiliate Network Professional Council

June 2021-Present **Volunteer Peer Reviewer for CEA**, Commission on English Language Program Accreditation

Jan. 2020-Nov. 2020 **Board Member**, TESOL Nominating Committee

Aug. 2018-present **Abstract Reviewer**, TESOL International

Aug. 2015–Dec. 2015 **Faculty Mentor**, Preparing Future Faculty Program, Virginia Commonwealth University, Graduate School

Aug. 2014–Aug. 2016 **TESOL Standing Awards Committee Member and Coordinator**, The Mary Finocchiaro Award for Excellence in Nonpublished Pedagogical Materials

COMMUNITY SERVICE

May 2021-present **Citizen Liaison**, American Citizen Services
U.S. Consulate, Shanghai, China

- Help the Embassy and Consulates assist U.S. citizens in need
- Assist travelers in distress, help track down missing U.S. citizens, and, in the event of a natural disaster or other emergency, help locate other U.S. citizens so we can help get them to safety
- Act as "eyes and ears" in the Shanghai community, providing valuable feedback on what life is like for ordinary U.S. citizens living in Shanghai

PROFESSIONAL AFFILIATIONS

Teachers of English to Speakers of Other Languages (TESOL)
Korean TESOL (KOTESOL)

OTHER SKILLS

Spanish: Advanced Proficiency
Mandarin: Basic Oral Proficiency
